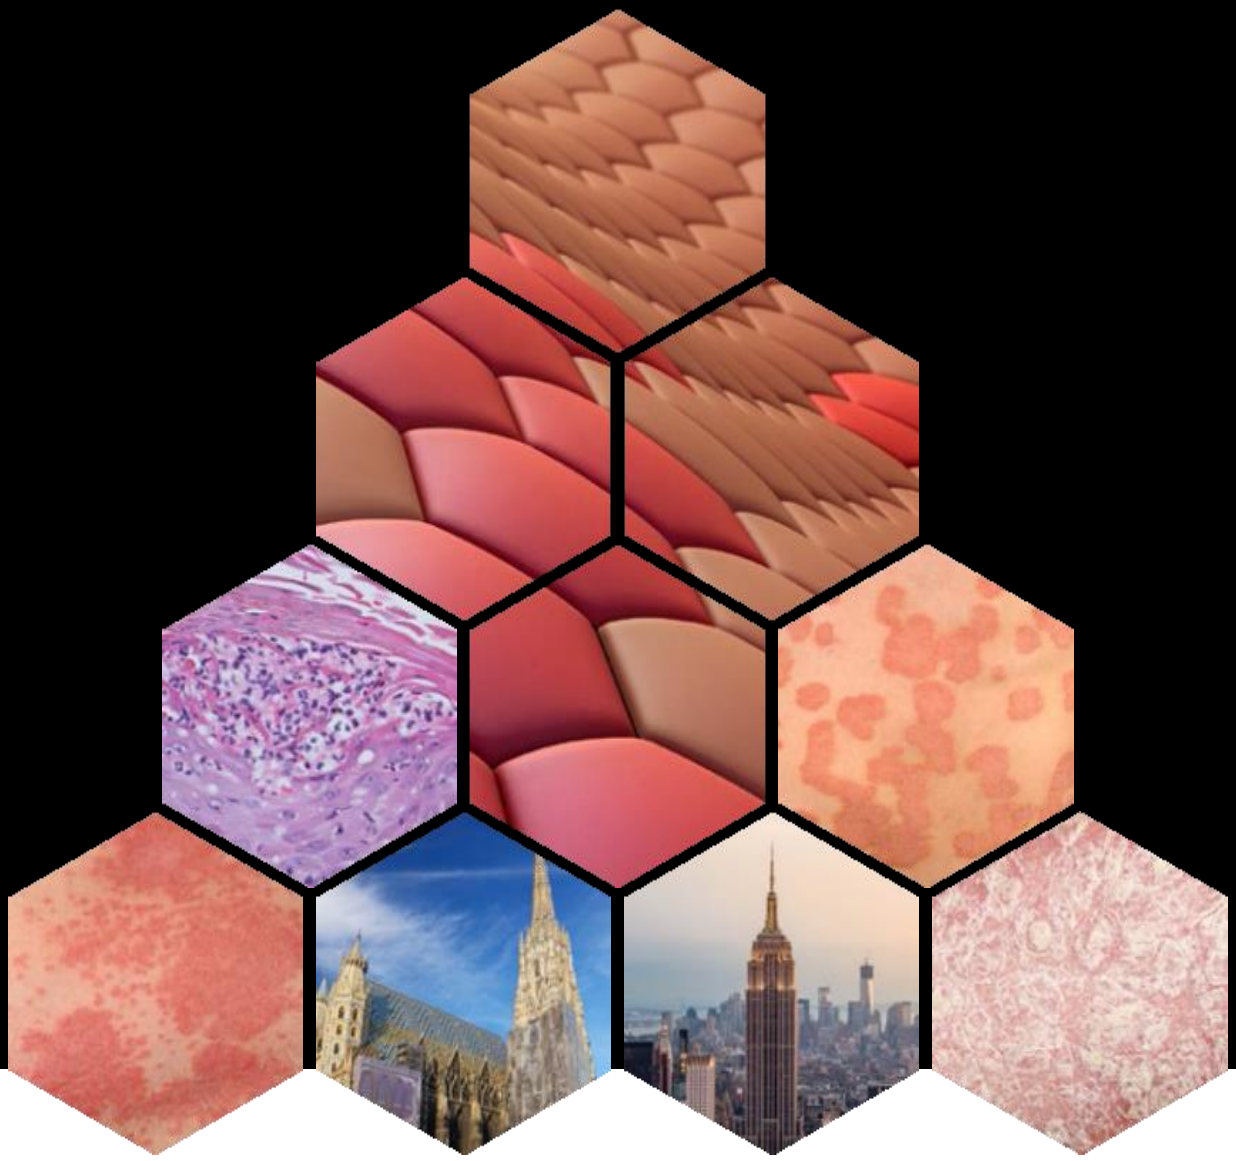
3rd Inflammatory Skin Disease Summit

The Translational Revolution

December 12-15, 2018
Aula der Wissenschaften, Vienna, Austria



INDUSTRY DOSSIER

Welcome

We are delighted to invite you to Exhibit / Sponsor an Industry Sponsored Satellite Symposium at a premier international educational symposium entitled “3rd Inflammatory Skin Disease Summit: The Translational Revolution”, a unique and dynamic symposium, being held in Vienna, Austria, at the “Aula der Wissenschaften” on December 12-15, 2018.

Over the last few decades, biomedical research has unravelled a plethora of pathophysiological steps putatively important for human disease development. But it was only in the last few years that a broader translation from basic research efforts to clinical medicine has indeed occurred. This was largely made possible by the close cooperation of basic researchers and clinical investigators, aiming at the development of truly effective therapeutics. Inflammatory skin diseases such as psoriasis and atopic dermatitis serve as an example of this successful bench-to-bedside approach. Currently, more and more therapies are approved as a result of this scientific approach, and many more are on their way.

Nevertheless, a stand-alone meeting in which inflammatory skin diseases and the translational revolution that we are currently experiencing take center stage has been lacking. After two very successful meetings in Vienna in 2014 and in New York City in 2016, we have again taken upon the task of organizing such an important meeting in order to continue this path of therapeutic revolution and extend to other inflammatory skin diseases. We want to discuss new concepts and new developments in the field of inflammatory skin diseases and to devise and explore new therapeutic strategies. For the last two meetings we had been able to attract true leaders in their fields, and we had approximately 600 participants from all over the world at the 2016 meeting in New York. We have now established this conference on an every two-year basis, with the next meeting taking place in Vienna, Austria, in 2018.

Below are a few reasons for why your company should exhibit at this upcoming Summit:

- Attendees are eager to learn about the latest developments for the treatment of inflammatory skin diseases.
- The exhibit hall will serve as a forum to present the individual therapeutic compounds, and to critically discuss their value (efficacy, safety) to key representatives of the scientific community.
- Interact with a diverse group of decision makers.

Warning – fraudulent websites and agencies

ISDS and their PCO and official housing partner Mondial Congress & Events are aware that, in recent years, a number of service providers (e.g. “Exhibition Housing Services”, “Exhibition Housing Management” and “Trade Show Housing”), have contacted companies who have supported our events, citing a named event, to offer hotel reservation services.

Additionally, we are increasingly being confronted with fake websites which seem to relate to congresses but do neither originate from ISDS nor from Mondial Congress & Events and have not beencommissioned by authorised web design agencies. These imitation sites invite congress participants to supply their personal details and promise, in return, to provide offers for travel and accommodation.
Mondial Congress & Events DOES NOT place telephone calls requesting the personal details or credit card information of participants! Please on no account supply your details over the telephone.
Mondial Congress & Events will always provide you with the official booking forms, either in written format or online. Your personal data will be treated securely and the purchased and paid services are ensured.
Only Mondial Congress & Events has access to the officially contracted ISDS 2018 room blocks and rates. Be aware that unauthorised companies might not deliver what they promise in terms of quality and location. Rates and extra charges may be inflated or hefty fees placed on credit cards.
We urge exhibitors and sponsors of ISDS to proceed with extreme caution when arranging travel and hotel accommodation through agencies other than Mondial Congress & Events.
Please note that “Exhibition Housing Services”, “Exhibition Housing Management”, “Trade Show Housing” and any other agencies with the exception of the official PCO Mondial Congress & Events neither represent ISDS, nor have we authorised them to use their names or trademarks on information they send out to exhibitors and sponsors.
If you are contacted by any agency other than Mondial Congress & Events or have any questions regarding legitimacy please don’t hesitate to contact us at isds2018@mondial-congress.com
